History CHE Breakspear Junior School

The pupils and staff at Breakspear Junior School enjoy History lessons. In this folder is a sample of the exciting way in which the skills, knowledge and understanding are successfully being developed across Key Stage 2. History is being accessed effectively through Literacy, ICT, Art, Design Technology, Dance and Drama as well as in History lessons themselves.

Each of our topics is enhanced by educational visits which include the British Museum, Verulamium, Hampton Court and the Winston Churchill Museum.

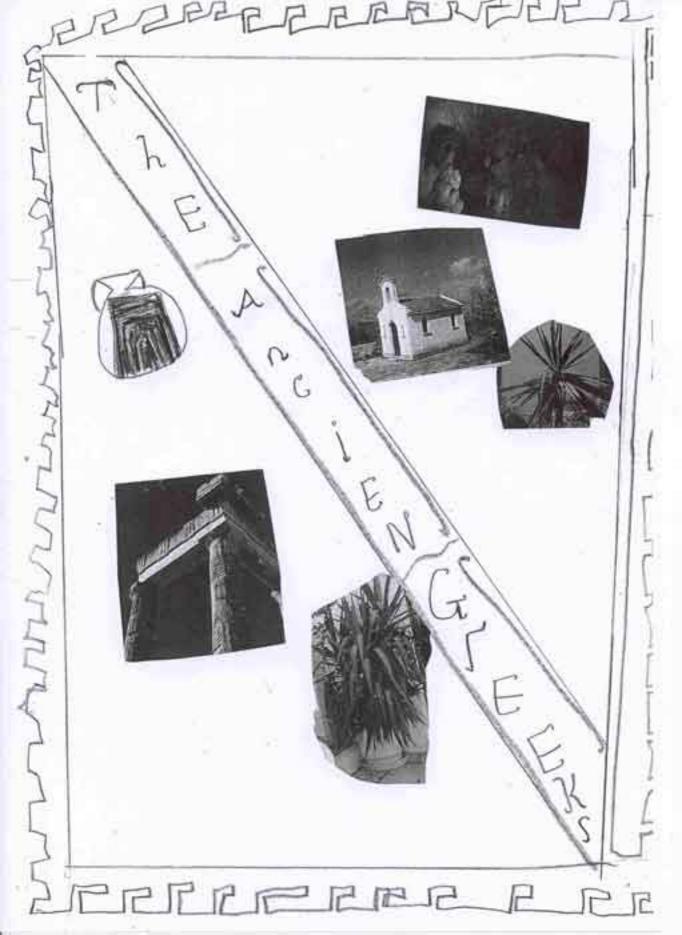

In addition, costumed interpreters visit the school to bring each of our topics alive. There are photographs to capture some of the highlights of these exciting events. I hope you will enjoy your journey back through the ages as you browse through these pages.

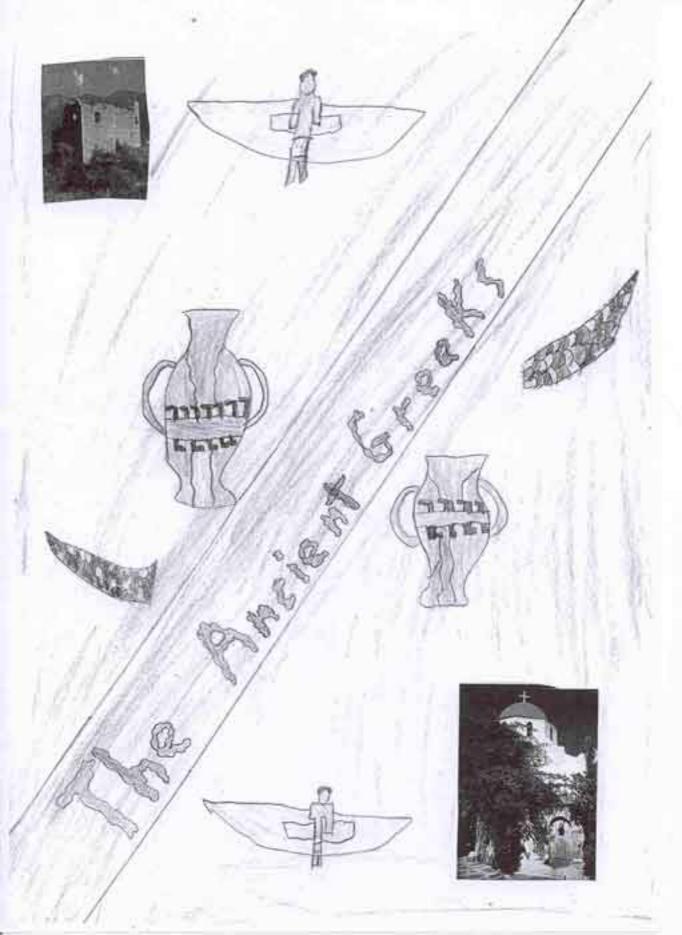

Mhe Ancient Greeks

Year 3

The Ancient Greeks

A study of the way of life, beliefs and achievements of the people living in Ancient Greece and the influence of their civilisation on the world today.

The British Museum

I went to the British Museum to look at Greek artisats. I enjoyed seeing beautiful pottey and the wonderful jewellery but my governite part of the day was looking at the tortoise lyre.

There were some amazing Greek artefacts, I agree!
This is a beautiful piece of work, hois. Well done. The

The British Museum

I went to the British Museum to look at the Greek artifacts. I enjoyed seeing the caryated and find them but my favourite part of the day was doing room 59

5

The British Museum

I went to the British Museum to look at the coreek exteracts. I enjoyed seeing the caryated but my favourite part of the day was doing the soom 69 guiz and seeing the out coin.

I'm pleased that you were able to find the out coin of Athene.

You have worked hard to make this lovely book.

Stop

Everyday life in Ancient Greece

Life in Ancient Greece could be very different depending on whether you were male or female, or how wealthy you were. What have you discovered?

Man	Women
